MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 2 to Contract No. PF-400
with Granger Associates, Palo Alto, California,
Project CHALICE

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.

2. Amendment No. 2 to Contract No. PF-400 is being issued to provide contractual coverage to the Contractor to procure certain long lead time parts necessary to fabricate two (2) ~~██████████~~ Deception Repeater Jammers. Authorization to complete the units is dependent upon the results of the flight tests of the prototype now underway. The most critical lead time items are matched sets of Traveling Wave Tubes and cost approximately \$5,000 per set.

3. Amendment No. 2 to Contract No. PF-400 obligates an amount of ~~██████████~~ chargeable to Fiscal Year 1959, Project CHALICE funds. This results in a total obligation under the contract of ~~██████████~~. By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
